druggists, gives quicker and more lasting relief than other remedies costing many times as much.

Albeuma gets at once into the blood and purifies it, allowing it to feed and passes the deadly poisonous secretions into the bowels and kidneys, from which they are quickly thrown off in a natural, healthy way.

Read what a reputable physician mays about Rheuma. "I have made a most careful investigation of the formula employed in the manufacture of Rheuma, and I heartly recommend it as a remedy for all forms of rheumatism, gout, and complications arising from neglect of these diseases in their early stages. On the hesis of the farmula used alone, I find Rheumafar in advance of the methods generally employed in the treatment of rheumatism, and altogether different in composition from the remedies usually prescribed."

This should give any sufferer from rheumatism confidence in trying Rheuma. It is so inexpensive you cannot afford to do without it.

Vaudeville and Motion Pictures.

Although Wednesday night's heavy rain affected the size of the audiences at both performances somewhat it did not in the least mar the high quality of the three vaudeville acts on the bill at the Auditorium. Sam Barber, who is styled the Coon with the Educated Feet, was right there with the goods and reeled off several catchy songs and up-to-the-minute jokes. He also played two different tunes on the man at the same time. The Welch American trio of harmony singers, two men and a woman, carried the house each time they appeared. They possess unusually strong voices and their act is the best in that line seen here for some time.

Another headiner was the novelty sharpshooting act, presented by the Three Blatzs. The crack shot brokes a number of clay pigeons holding his rifle in various difficult positions, even to standing with his back to the target and aiming his rifle with the aid of a looking glass.

The regular monthly meeting of the Ladies' Benevolant society of the Taftville Congregational church was held Wednesday afternoon at the parlors of the church. The president of the society Mrs. George Whittlesey, presided at the meeting with the other officers present. The secretary's report was read and approved. Besides transacting the regular routine business it was voted to have a special Thanksgiving offering as in former years, making gifts to the sick and shut-ins and other helpful and cheerful charitable work. The meeting was well attended and full of marked enthusiasm. After the compiletion of the business session dainty refreshments were served by the committee in churge of the meeting who were Mrs. George Whittlerey and Mrs. George Thompson.

Sterling Forfeits Two Games. Secretary Pearson of the Soccer football club has been notified that the Sterling club has dishanded for the season owing to lack of support and that the two games that were scheduled with the local team which would have been played in the future will be forfeited. TAKE SALTS TO

Eat less meat if you feel Backschy or Bladder troubles you-Salts Is fine for Kidneys.

Meat forms uric acid which excites and overworks the kidneys in their afforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels; remsving all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, disziness, your stomach sours, tongue is coated and when kidney region, snarp paths in the barn or stok headache, disainess, your stomach sours, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment: the channels often get irritated, chiliging you to get up two or three times during the night.

To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a table-spoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous sats is made from the acid of grapes and lemon fuice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive, harmless and makes a deligateful affervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.

Bring Back Your Appetite

a Little Stuart's Dyspensis Tablet, the Secret of Perfect

You should see our farmers and their boys eating in the fields. On the farm five meals a day is the rule No one ever has stomach trouble because meals are digested and people live normally.

In the city we lose our "pep" and indigestion, dyspeppia, stomach trouble, etc., make us look on five meals as an impossibility.

A majority of people have come to know the blessings which an occasional use of Stuart's Dyapepsia Table. S confer upon the stomach. They are unquestionably the most popular remedy known, for the reason that dyspepsia is the national disease, and these wonderful little tablets have long since acquired a national reputation as a thoroughly reliable and efficient cure for all forms of dyspepsia and indigestion.

No matter how great the excess of food taken into the stomach, one of two of these tablets will digest every particle of it. A package of Stuart's Dyspepsia Tablets should always be in the house. Many a person has saved himself from a serious attack of acute indigestion by using them after heavy meals, such as are eaten Christmas. New Year's, Thanksglving and other helidays and festal seasons.

After attending banqueits, late suppers, heavy fancy dinners, after-theatre parties, etc. where one has dined sumptuously Tablets should invariatly be used, as they digest the food perfectly and completely, and prevent all possibility of dyspepsia, which, without their use, is more than likely to ensue.
